

CONCIERGE / RECEPTIONIST BRAND AMBASSADOR / COMPANY MASCOT POWERFUL MAGNET

Buddy[®]
The Emotional Robot

Entirely **designed in France**, Buddy is an “**emotional companion**” robot that interacts with your visitors and guests in any public place: office, administration, retail, hospitality and entertainment industry.

Buddy **welcomes, informs, educates** your customers and visitors in a fun way.

Buddy is perfect for **enriching** your **customer experience, generating interest** and **traffic, presenting offers** and **directing** according to requests, as well as **entertaining**.

SERVICES

«As a very customer-centric organization committed to developing future uses, we were instantly won over by the Buddy companion robot that is the perfect example of innovative on-board passenger care»

Fabrice Toledano
Managing Director of iDTGV / SNCF

BENEFITS

- Attractive behaviors to engage with someone
- Small Talks to increase user engagement
- Proactive behaviors to propose contents during interaction

GIVE LIFE TO YOUR BUDDY - REGARDLESS OF TECHNICAL EXPERTISE
