Blazer feels it too.  
But all he needs is one good nap  
and Blazer's good as new!

**Shy Dragon:**

CODE

to make Blazer shy!

**Nap Time:**

CODE

to make Blazer take a nap!

At Blazer's castle, there's a big map of places where adventure awaits. Let's see where he's flying after breakfast!

Can you code Blazer to move from his castle to his map?

## SPELL:

Cast **Dragon Chow**, then **Dragon Flight** to give Blazer breakfast before he takes off!

**F**irst, Blazer flies to Fire Island...where the famous fire tornado has gone out!

“Think you can help us, Blazer?”  
asked Freddie, a local fireball.

“I sure can,” said Blazer.

“Watch this!”

### CODE:

Can you code Blazer to swirl  
in a circle to start the tornado?

### SPELL:

Cast **Volcano Horn** to  
light the fire tornado  
and save the day!

 In Dragon Island, Blazer meets up with some of his friends!

“Bet you can’t hit the target with a fireball!”  
said Drago, a rival dragon.

“Just watch, Drago!” Blazer said.

“I’ve been practicing!”

### CODE:

Can you code Blazer to follow the path and get to the catapult?

### SPELL:

Use the catapult to hit the target, then cast **Dance Party** to celebrate! You can also save Blazer’s fireball inside his treasure chest!

 In his last island adventure of the day, Blazer meets real-life monsters! “The swamp creatures blocked our path!” said Rocky, a rock with eyes. “No sweat!” said Blazer. “I’ll have this cleared in no time!”

### CODE:

Can you code Blazer to knock down the swamp creatures?

### SPELL:

Cast **Guard Dragon** to make sure the swamp creatures stay away, then **Dragon Flight** to send Blazer home!
