# CaddyTrek

**CaddyTrek "Marching Mode" Instructions**

Getting Started:

1. Power on the unit and handset.
2. Stand 4.5 ft from the unit and between the sensors.
3. Make sure the handset is facing the unit.
4. Hold down the right directional button.
5. Move towards the unit to engage unit.

You're ready for Marching Mode!

(Step 2)

(Step 4)

Turning the Unit:

1. To turn the unit while using Marching Mode, move one-half step in the opposite direction.

Turning Left

The user moves to the Right, and the unit turns Left at the same pace.

Turning Right

The user moves to the Left, and the unit turns Right at the same pace.

Exiting Marching Mode:

The user may exit Marching Mode anytime by pressing the STOP or FOLLOW buttons.
