November 3, 2017

## **IMPORTANT FIRST STEPS**

You will need internet access for this guide

- Please make sure that your device is turned on and connected to your computer.
- Please have the Model of your device ready
- Please have the Serial Number to your device ready
- For Camm1 GS-24 (see go to www.startup.rolanddg.com) to download the driver suite. Then continue on Step 8.
