

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

30D1A

Application:

- ASIA CUISINE
- STIR FRY
- FRIED RICE
- MIE GORENG
- FRIED MEAT WITH VEGETABLE
- FAST FOOD OUTPUT

Features:

- Induction heating technology, high efficiency,
- Energy saving 50% than gas operated
- Rotary pot with stirrer, evenly heat, taste better
- Stainless steel body structure, durable
- Easy operation, one button control
- Easy clean, tilting pot for waste out
- Tilt pot, easy for material fill in and output
- Bench top style, easy installation
- Digital display, clearly work status
- Timer function (optional)
- Slide magnetic touch control
- 5 Steps power adjustment
- 4 positions pot adjustable
- Gas operated optional

Model No.	30D1A
Power	5000W
Voltage	220V/1PH/50~60Hz
Size	W462 x D606 x H790
Capacity	2.5L
Pot size	Φ300

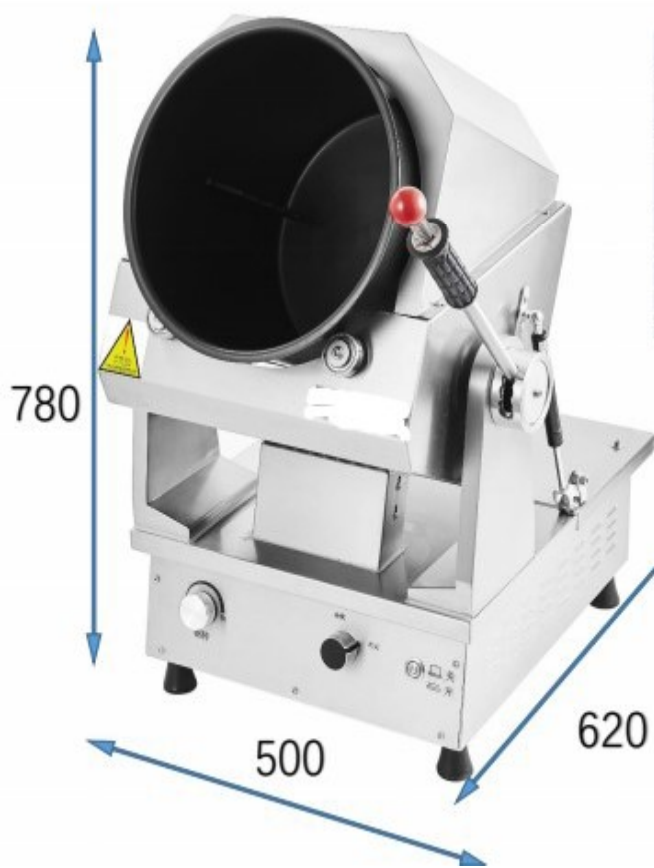

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

30D1A

Application:

ASIA CUISINE
 STIR FRY
 FRIED RICE
 MIE GORENG
 FRIED MEAT WITH VEGETABLE
 FAST FOOD OUTPUT

Features:

- Gas operated, suitable for most area
- Rotary pot with stirrer, evenly heat, taste better
- Stainless steel body structure, durable
- Easy operation, one button control
- Easy clean, tilting pot for waste out
- Tilt pot, easy for material fill in and output
- Floor stand type, come with wash sink, easy clear
- Digital display, clearly work status
- Timer function (optional)
- Rotary knob control
- 5 Steps power adjustment
- 4 positions pot adjustable

Model No.	30D1A
Power	100W
Voltage	220V/1PH/50~60Hz
Size	W500 x D620 x H780
Capacity	2.5L
Pot size	Φ300

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

30DAA

Application:

ASIA CUISINE
 STIR FRY
 FRIED RICE
 MIE GORENG
 FRIED MEAT WITH VEGETABLE
 FAST FOOD OUTPUT

Features:

- Induction heating technology, high efficiency,
- Energy saving 50% than gas operated
- Rotary pot with stirrer, evenly heat, taste better
- Stainless steel body structure, durable
- Easy operation, one button control
- Easy clean, tilting pot for waste out
- Tilt pot, easy for material fill in and output
- Floor stand type, come with wash sink, easy clear
- Digital display, clearly work status
- Timer function (optional)
- Slide magnetic touch control
- 5 Steps power adjustment
- 4 positions pot adjustable
- Gas operated optional

Model No.	30DAA
Power	5000W
Voltage	220V/1PH/50~60Hz
Size	W550 x D800x H1350
Capacity	2.5L
Pot size	Φ300, Depth 300mm

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

30DAR

Application:

- ASIA CUISINE
- STIR FRY
- FRIED RICE
- MIE GORENG
- FRIED MEAT WITH VEGETABLE
- FAST FOOD OUTPUT

Features:

- Gas operated, suitable for most area
- Rotary pot with stirrer, evenly heat, taste better
- Stainless steel body structure, durable
- Easy operation, one button control
- Easy clean, tilting pot for waste out
- Tilt pot, easy for material fill in and output
- Floor stand type, come with wash sink, easy clear
- Digital display, clearly work status
- Timer function (optional)
- Rotary knob control
- 5 Steps power adjustment
- 4 positions pot adjustable

Model No.	30DAR
Power	100W
Voltage	220V/1PH/50~60Hz
Size	W550 x D780x H1350
Capacity	2.5L
Pot size	Ø300, Depth 300mm

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

30DEA

Application:

- ASIA CUISINE
- STIR FRY
- FRIED RICE
- MIE GORENG
- FRIED MEAT WITH VEGETABLE
- FAST FOOD OUTPUT

Features:

- Induction heating technology, high efficiency,
- Energy saving 50% than gas operated
- Rotary pot with stirrer, evenly heat, taste better
- Stainless steel body structure, durable
- Easy operation, one button control
- Easy clean, tilting pot for waste out
- Tilt pot, easy for material fill in and output
- Floor stand type, come with wash sink, easy clear
- Digital display, clearly work status
- Timer function (optional)
- Slide magnetic touch control
- 5 Steps power adjustment
- 4 positions pot adjustable
- Gas operated optional

Model No.	30DEA
Power	5000W * 2
Voltage	220V/1PH/50~60Hz
Size	W1200 x D800x H1350
Capacity	2.5L * 2
Pot size	Φ300, Depth 300mm

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

30DCA

Application:

- ASIA CUISINE
- STIR FRY
- FRIED RICE
- MIE GORENG
- FRIED MEAT WITH VEGETABLE
- FAST FOOD OUTPUT

Features:

- Induction heating technology, high efficiency,
- Energy saving 50% than gas operated
- Rotary pot with stirrer, evenly heat, taste better
- Stainless steel body structure, durable
- Easy operation, one button control
- Easy clean, tilting pot for waste out
- Tilt pot, easy for material fill in and output
- Floor stand type, come with wash sink, easy clear
- Digital display, clearly work status
- Timer function (optional)
- Slide magnetic touch control
- 5 Steps power adjustment
- 4 positions pot adjustable
- Gas operated optional

Model No.	30DCA
Power	5000W * 3
Voltage	220V/1PH/50~60Hz
Size	W1590 x D800x H1350
Capacity	2.5L *3
Pot size	Φ300, Depth 300mm

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

F32

Application:

ASIA CUISINE
 STIR FRY
 FRIED RICE
 MIE GORENG
 FRIED MEAT WITH VEGETABLE
 FAST FOOD OUTPUT

Features:

- Induction heating technology, high efficiency,
- Energy saving 50% than gas operated
- Planetary stirrer, evenly heat, taste better
- Stainless steel body structure, durable
- Easy operation, one button control
- Easy clean, brush stirrer, take away wok
- Lift up arm, easy for material fill in and output
- Bench top style, easy installation
- Digital display, clearly work status
- Timer function
- Temper glass covered sensor touch control
- Thermal meter built in, precision temp control
- 5 Steps power adjustment
- 3 steps stir speed adjustment
- Memory function

Model No.	F32
Power	3500W
Voltage	220V/1PH/50~60Hz
Size	W400 x D560 x H320
Capacity	2L (Full load 6L)
Wok size	Φ320 * H120

▶ AUTOMATIC INDUCTION COOKER

Fast heat up, fast output, dedicated for central kitchen

CZC-13H

Automatic Induction Frying Machine

Features:

- ◆ Induction coil heating, fast& energy saving
- ◆ Both pot and stirrer can spin, speed adjustable
- ◆ Frying capacity 50L, full load 200L
- ◆ Timer function
- ◆ With high pressure rinsing faucet
- ◆ One button tilting for pouring
- ◆ Safety protection with shut off function
- ◆ Emergency button available
- ◆ Suitable for central kitchen and factory use
- ◆ Frying large capacity and fast output

Product Parameters

Model No.	CZC-13H
Dimensions	1800 × 1500 × 1600mm
Load/Fry Capacity	200/50L
Power	25KW
Voltage	380V/3PH
