

INSTA@CHEW

**PURRCLEAN  
SMART  
LITTER BOX**

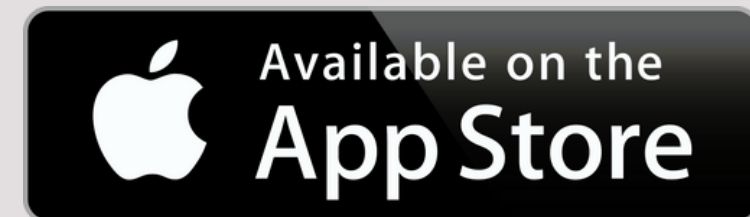

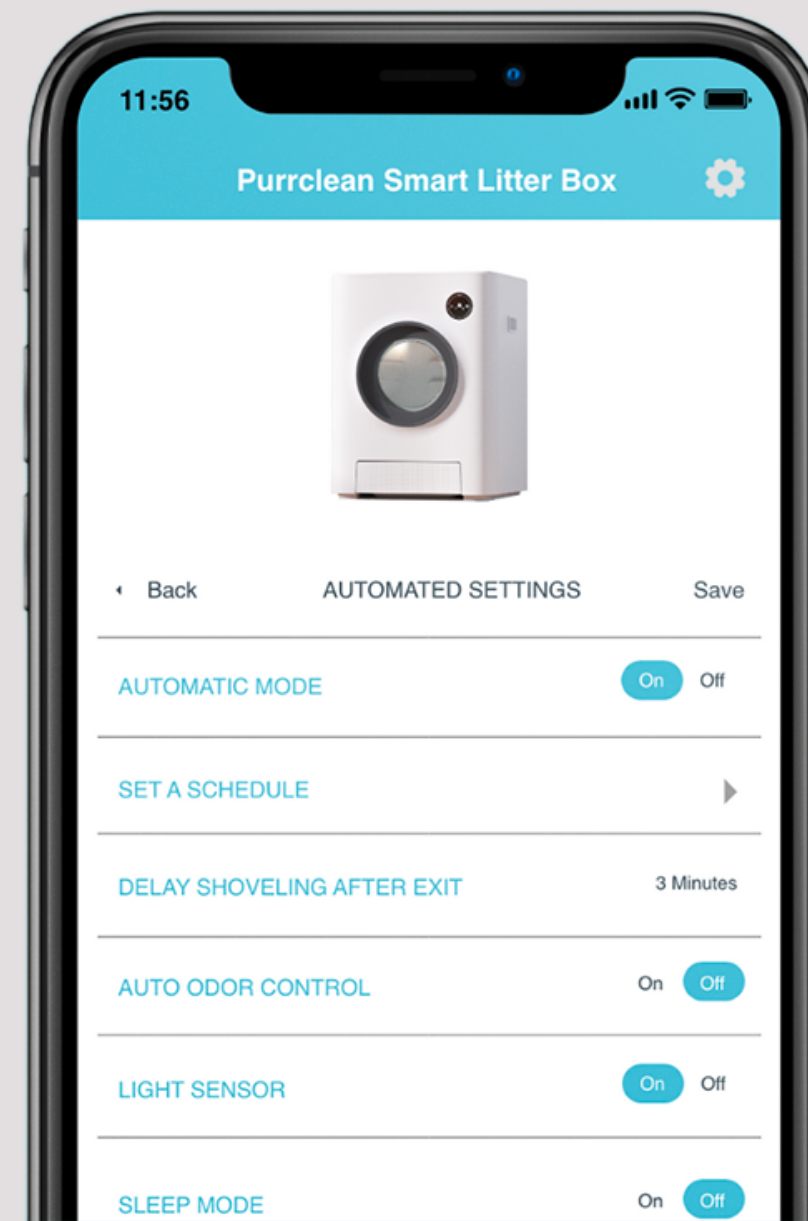

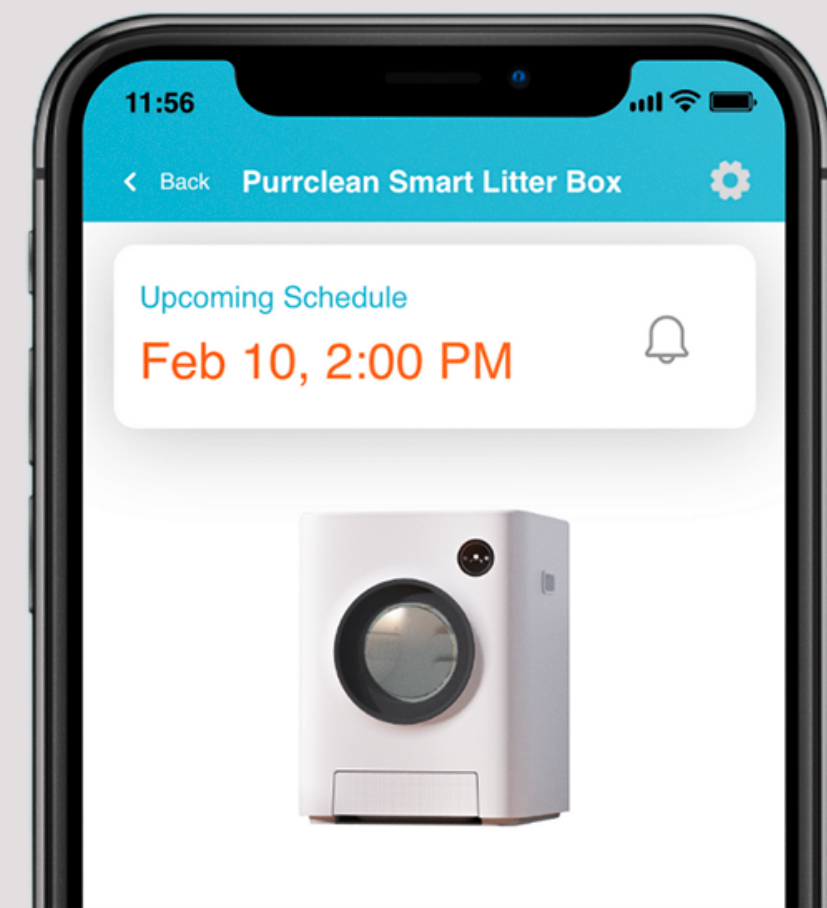

## APP CONNECTED

INSTACHEW'S Purrclean Smart Litter Box is the perfect addition to your house.

Using the **INSTACHEW INFINITY APP** you can set schedules, scoop on demand and use the deodorizer from your smartphone!

Designed specifically for ease of use for both you and your furry friend.

Carrying Handle  
**EASY TO MOVE**

LED Touch Screen  
**CLEAR OPERATIONS**

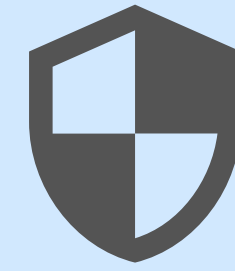

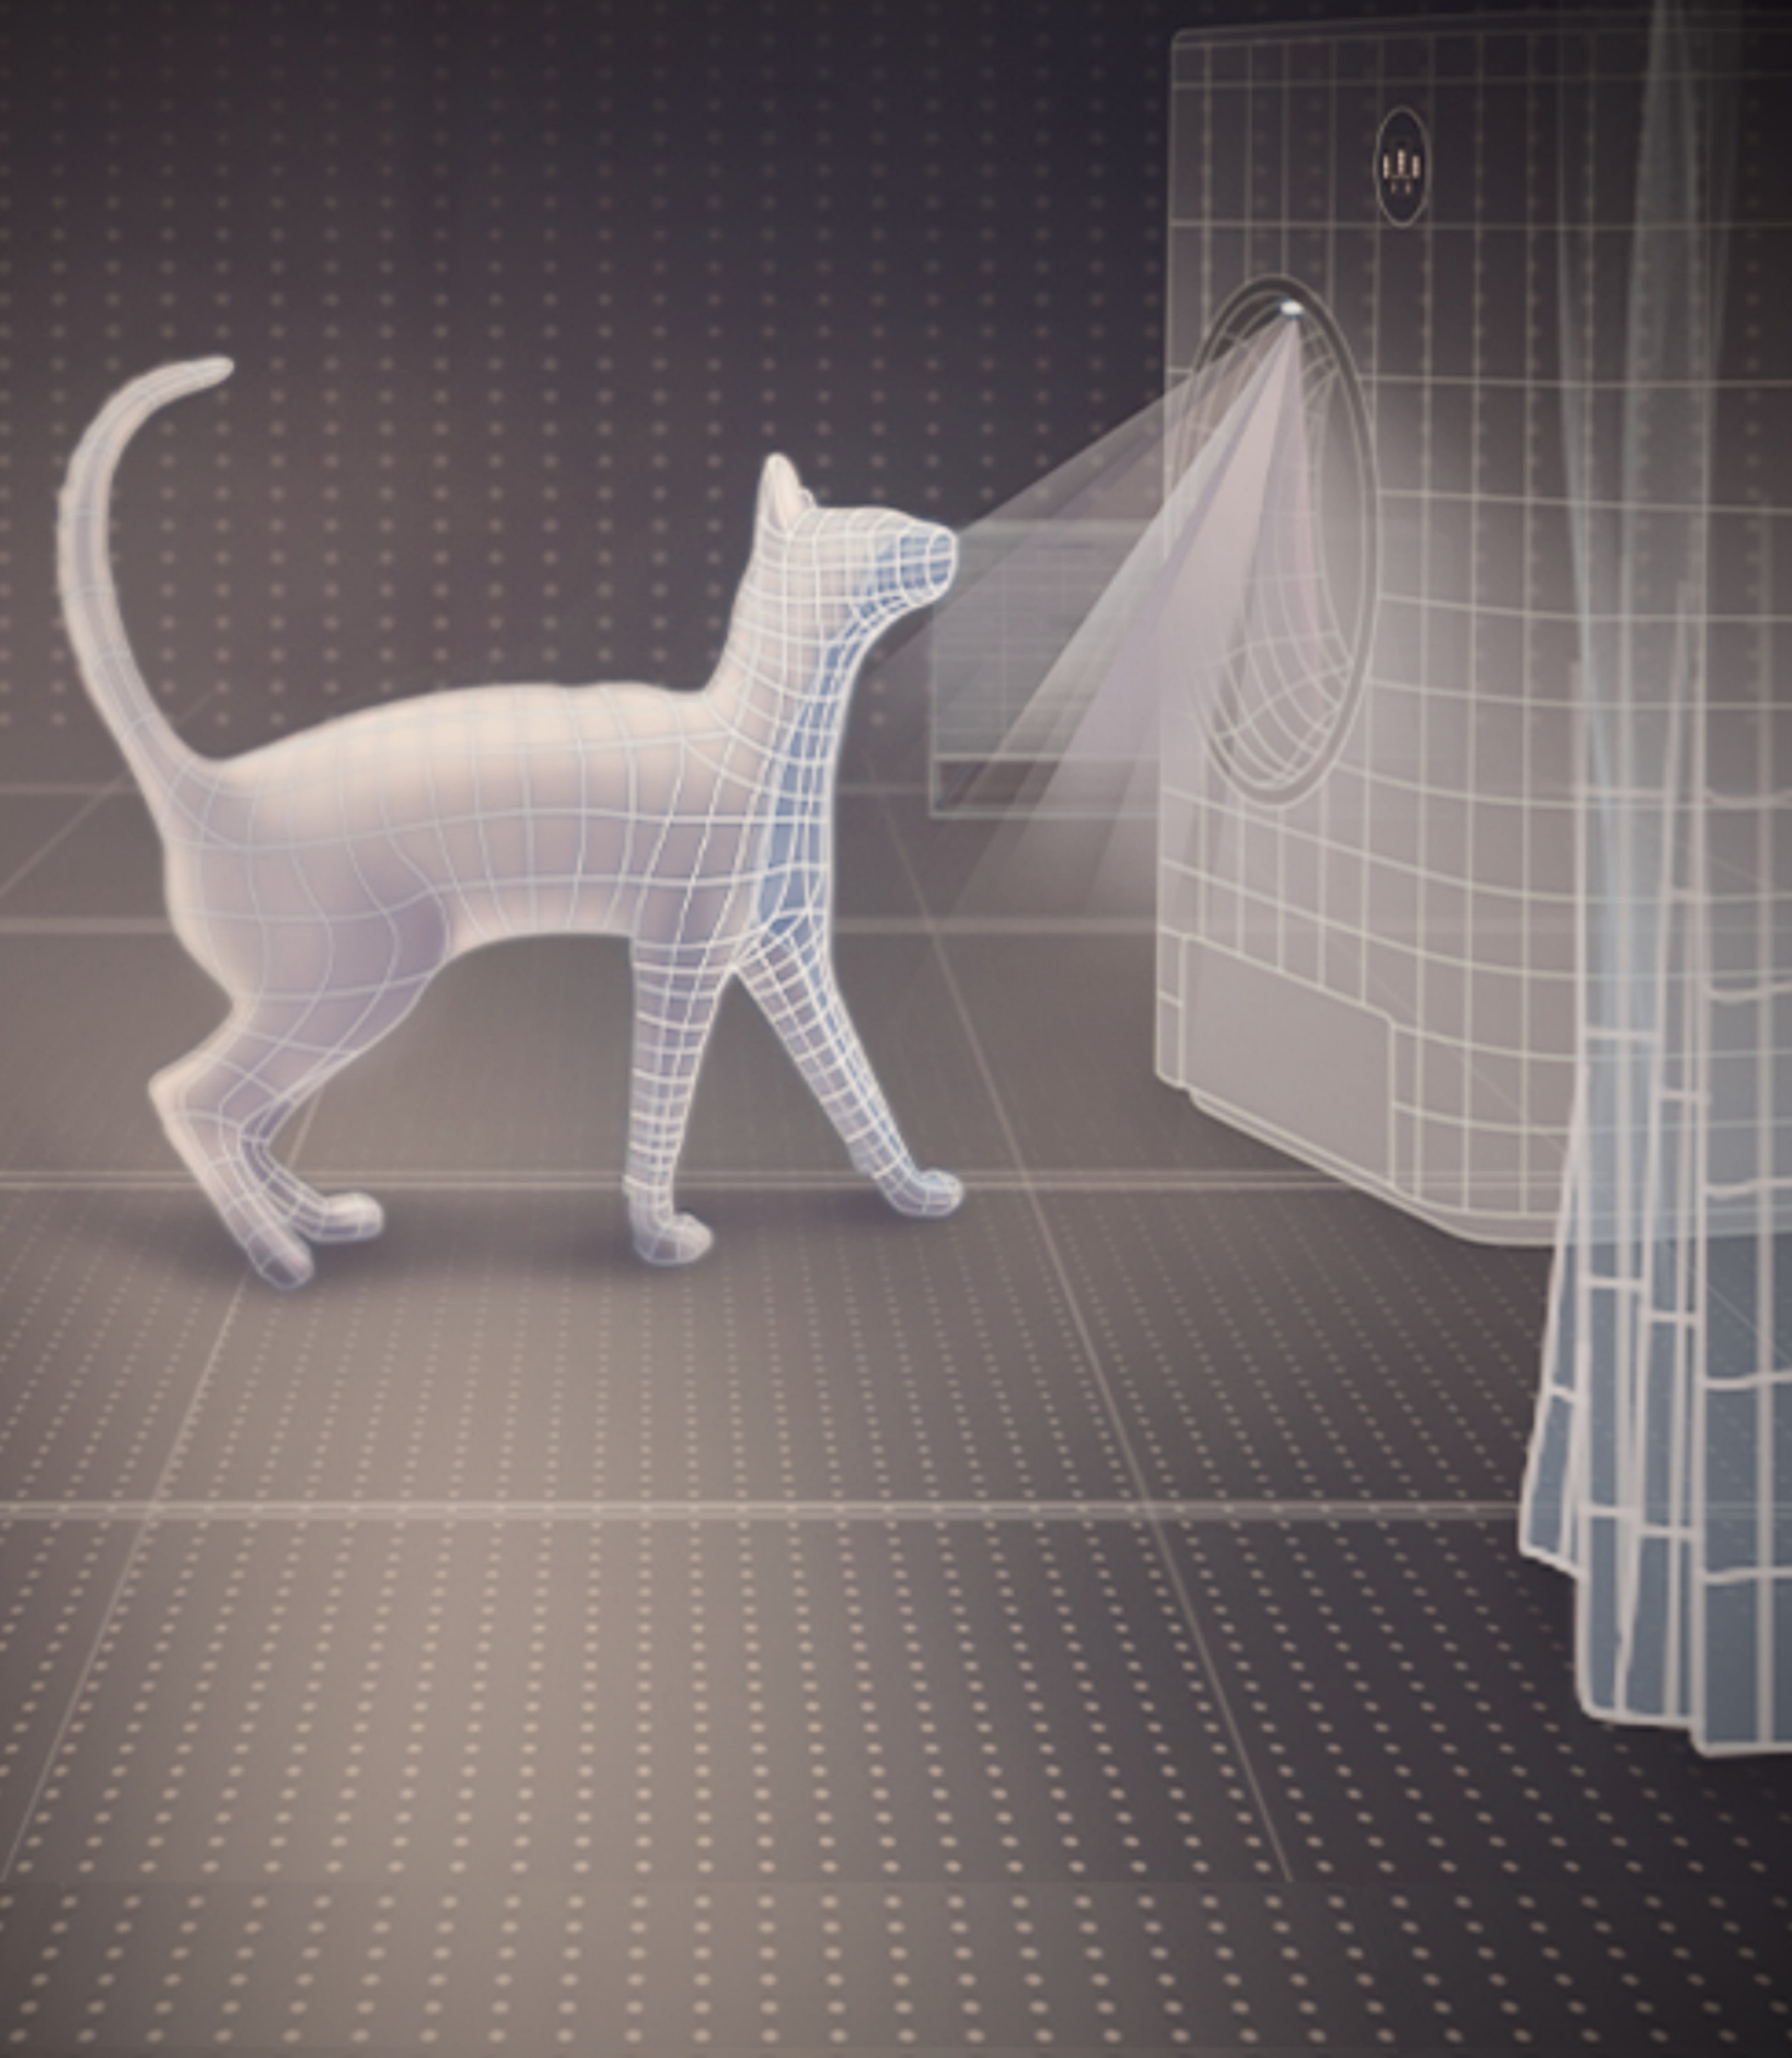

Waste is separated and stored in the bin below

The **Purrclean** reduces the carry-out of cat litter

Holds **8L of litter** and can easily be removed by sliding the bottom compartment

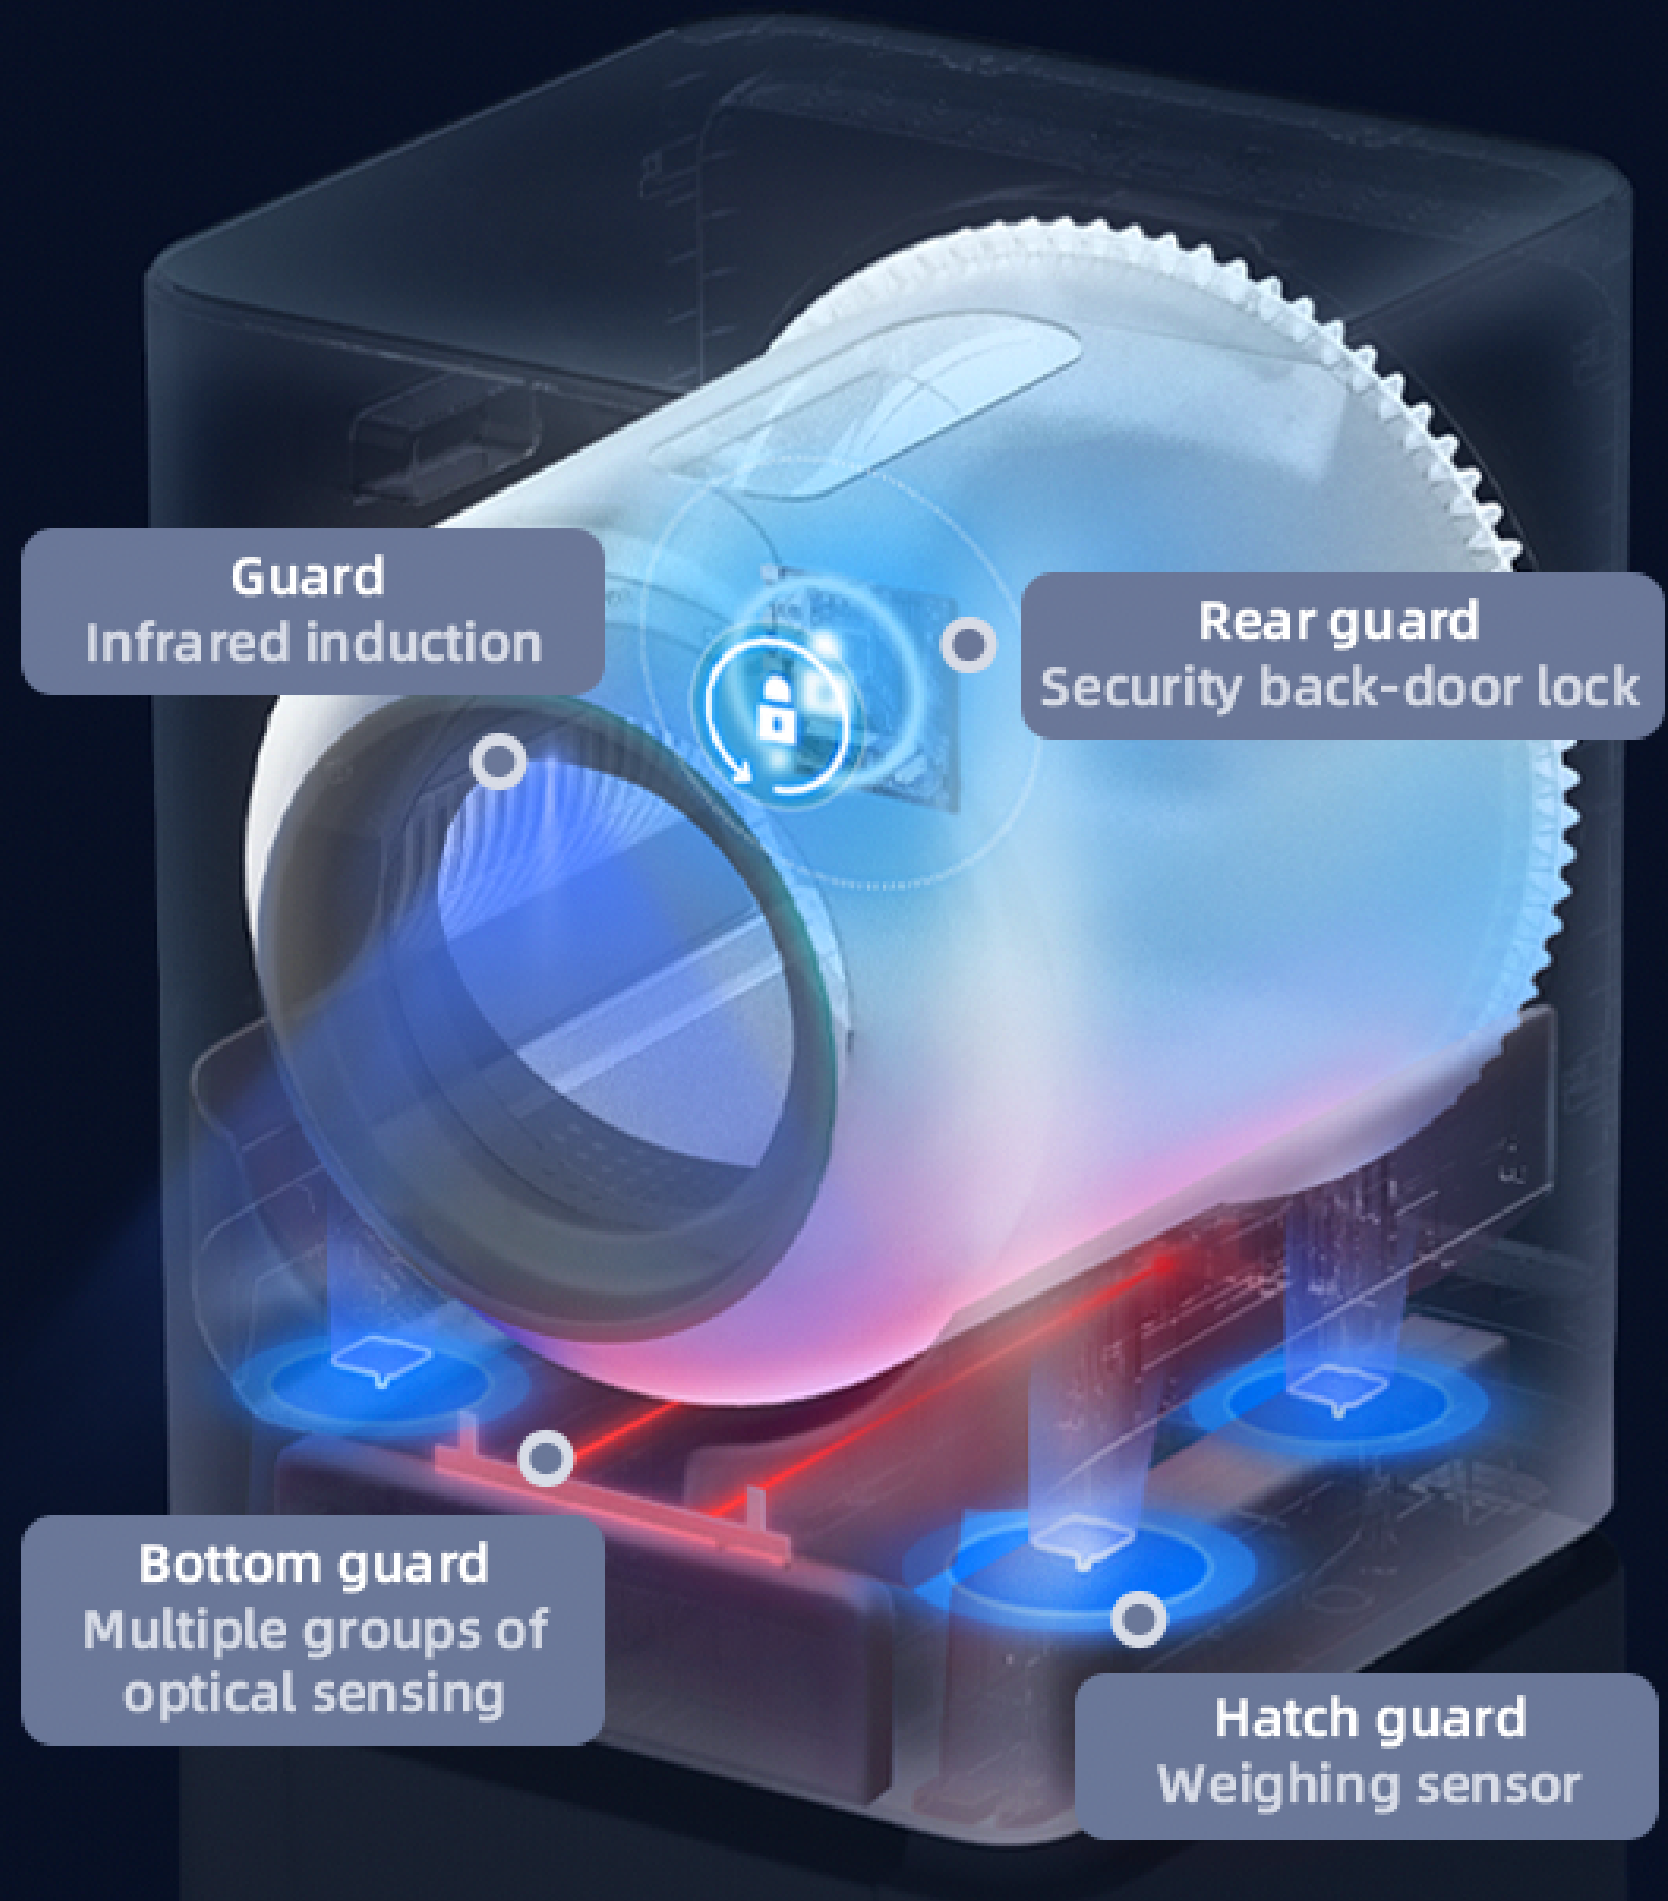

## SAFETY

Has numerous sensors on the inside as well as near the entrance that ensures your pets safety

An infrared sensor can detect your pet within a 50 cm diameter of the litter box's entrance

# SAFETY MEASURES

If a foreign matter is detected during scooping the device will stop

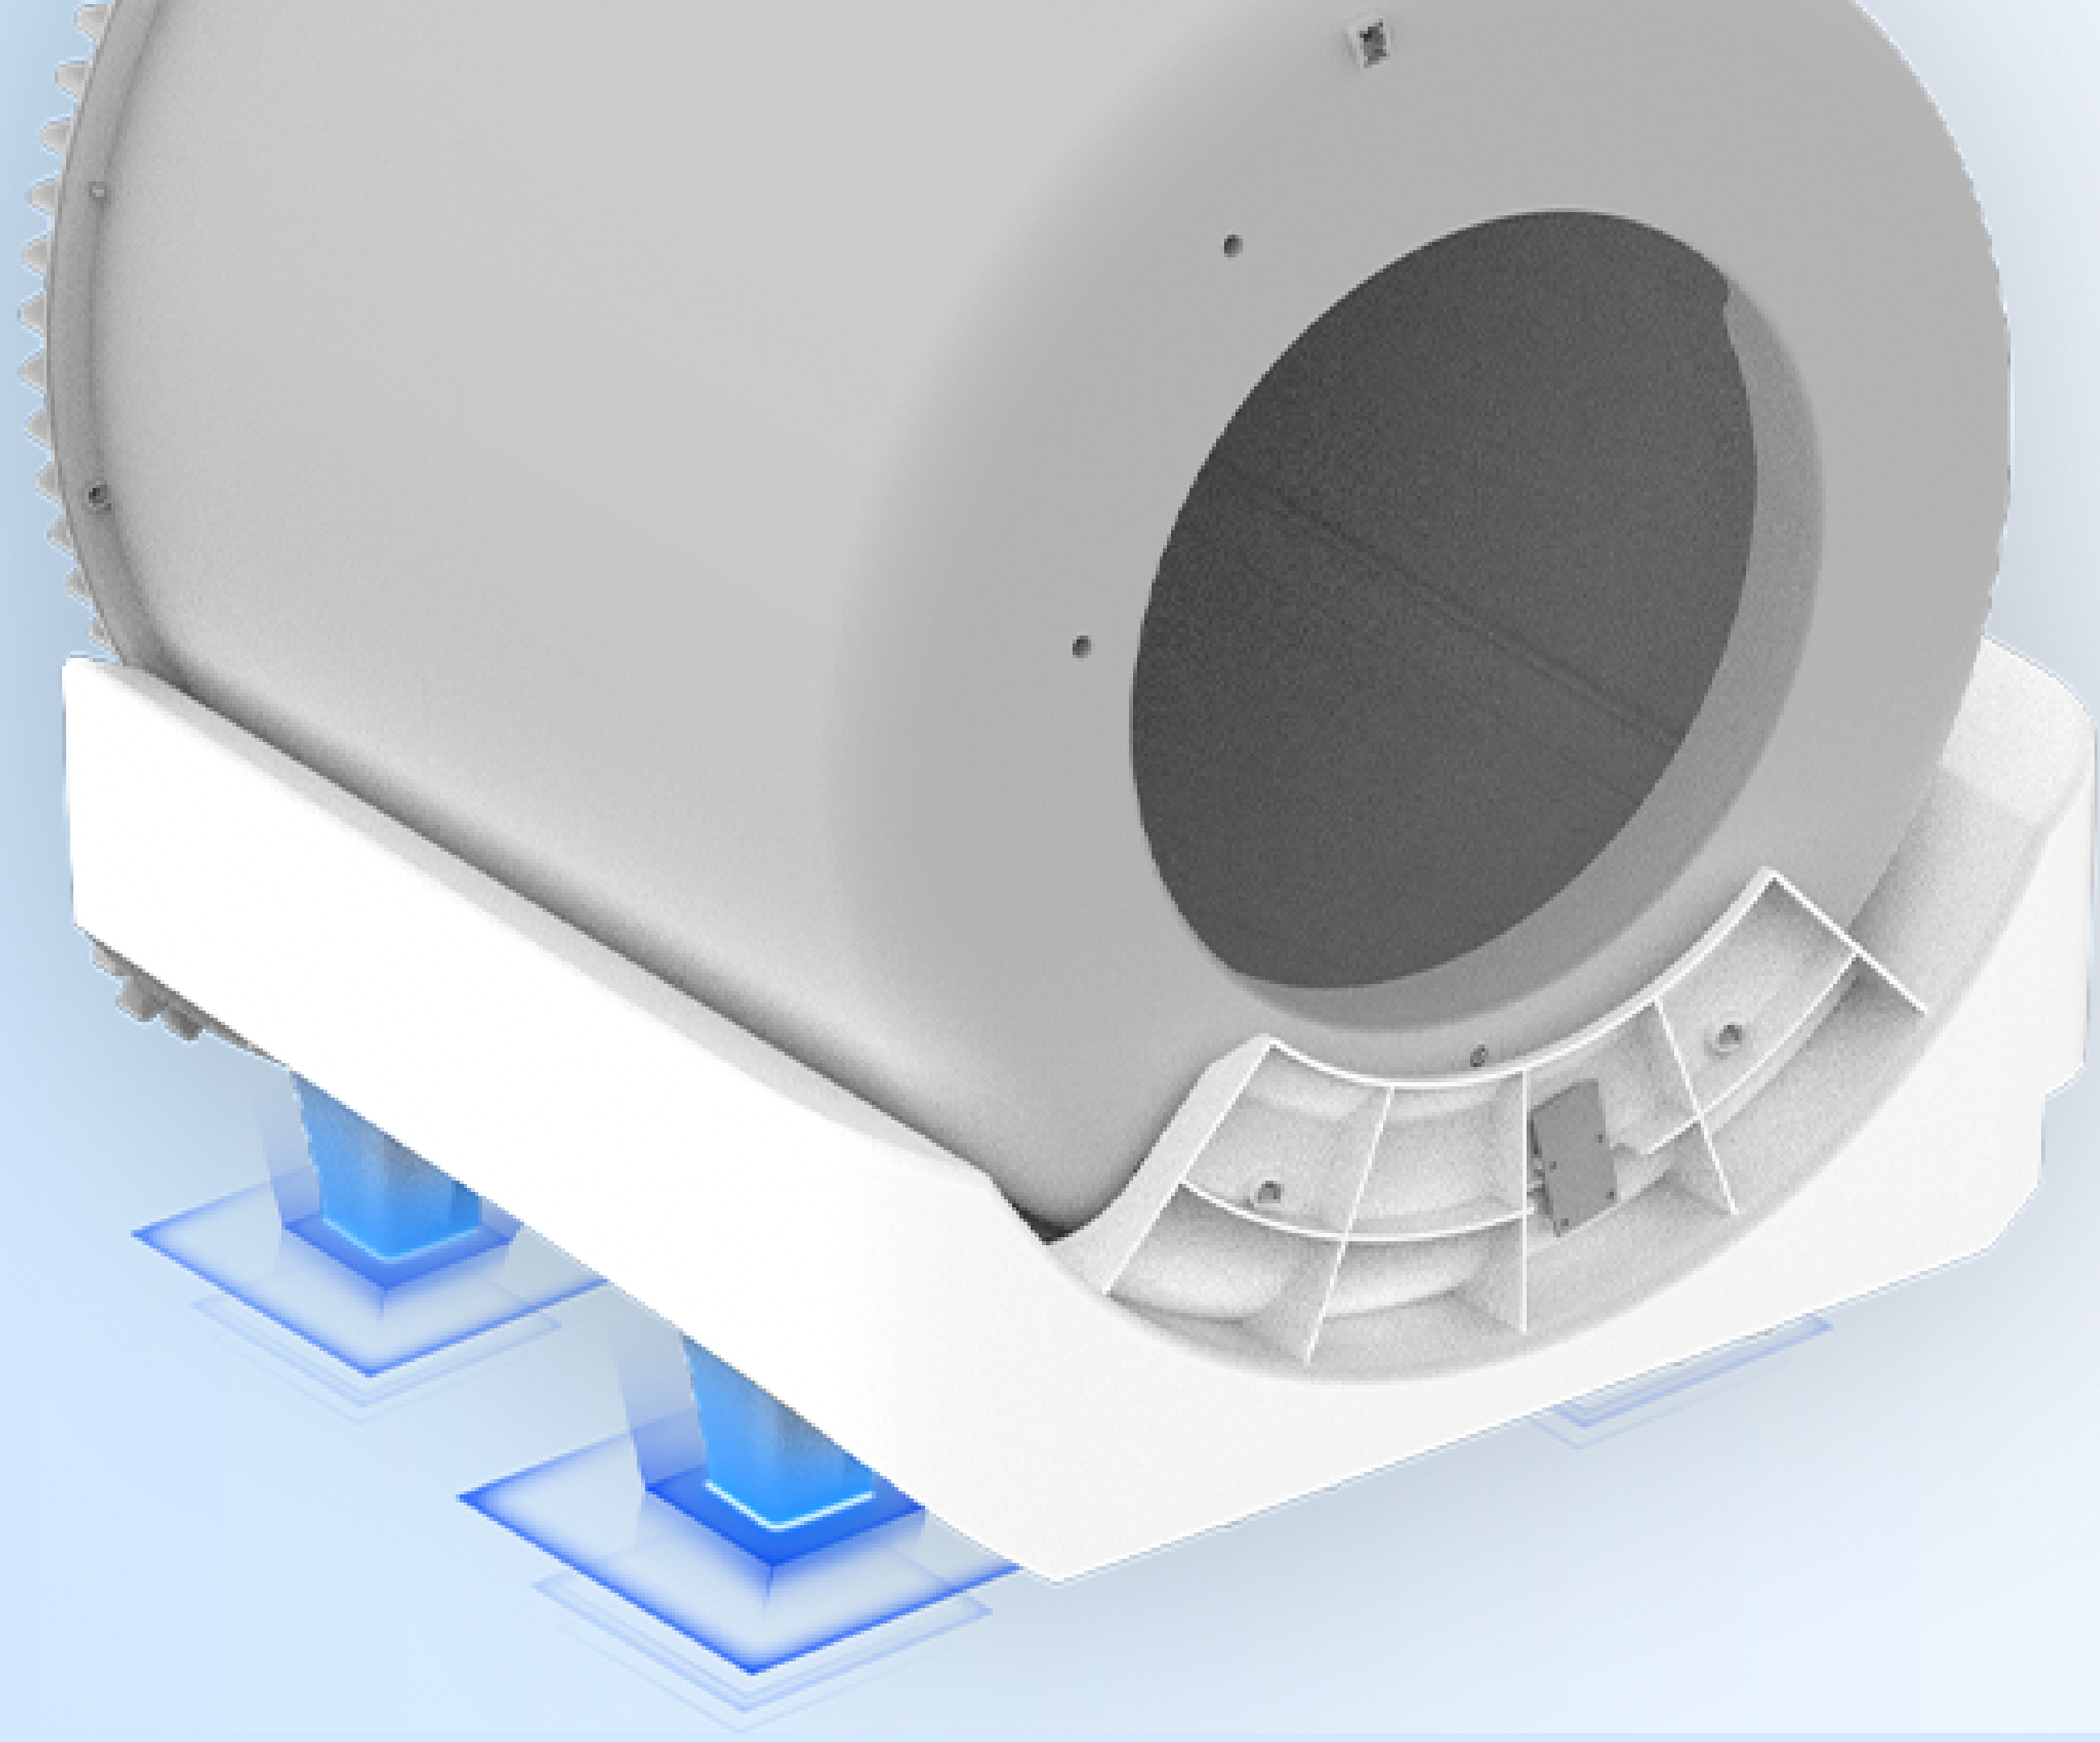

Multiple sensors are built at the bottom of the bin which stops the scooping process immediately when pets are detected inside

# WEIGHT SENSOR

IF CATS ENTER  
WHILE  
AUTOMATICALLY  
SCOOPING, THE  
DEVICE WILL  
IMMEDIATELY STOP

# APP FUNCTIONS

  
**SCOOP**

Scoop automatically, on command, or set it on a schedule

  
**PET DATA**

Use the APP to collect valuable data of your pet (ie. pet weight, frequency of use etc.)

  
**DEODORIZE**

Use the APP to deodorize the surrounding area to leave no smell

  
**CLEAN**

Use the APP to clean litter box on command or set up a schedule

## ODOR CONTROL

A litter box with an effective air purification solution

Equipped with high-pressure ozone chamber to thoroughly kill odor molecules

Releases ozone in safe doses which decomposes odor producing molecules

## ULTRA QUIET

At 47 dB, the Purrclean Smart Litter Box is quiet enough to keep in any room of the house

# EASY MAINTENANCE

1

Push  
button

Press button on
