

# MIKO Mini

**Ignite Curiosity.  
Endless Fun.**

# About The Company

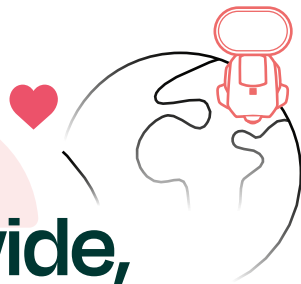

Founded in 2015 with a mission to bring best technology to young learners worldwide & a stress-free parenting experience

Miko is a Pixar-like AI-driven robot with premium content featuring learning games, puzzles, TV shows, activities and more.

Miko serves as a dedicated companion for children, providing social-emotional development and STEAM learning for kids. It engages, inspires, and empowers young minds between the ages of 5 and 10, fostering their curiosity and growth.

## Bringing joy to families worldwide, enriching lives with Miko.
